

Nothing Stands

Written by Kurtis Parks, Dan Rivera, Chris Douglas

Verse1:

F# G#m E
When You speak, all doubt is silenced
When You breathe, my fear is swept away
Jesus in glory, our morning light
Breaking through darkness, to still the night

B F#
If our God is for us, who can be against us
G#m E
Nothing stands in Your way

VS2:

No height or depth, could separate us
No fear or death, could take us from your presence
Your word endures, Your promise stands
Nothing's impossible with You

B F#/A#
Broken lives are restored, hopeless dreams are revived
G#m E2
Every heart comes alive, in the name of Jesus
